

NAWIC

2014-2015
SPONSORSHIP
OPPORTUNITY

Dear Potential NAWIC Sponsor:

A NAWIC Sponsorship will allow your company to demonstrate commitment and support of NAWIC's core purpose - to enhance the success of women in construction. NAWIC provides educational and networking events for members along with sponsoring creative and educational programs for students from grade school to high school. All of these are made possible through generous contributions from our industry partners. ***We thank you!***

On the following pages you will find various ways to financially support NAWIC Baltimore's efforts. If you need more information on sponsorship opportunities, please contact our chapter president at the information below.

SPONSORSHIP LEVELS

Block Kids Sponsorship

Block Kids is a national Lego block building competition designed to introduce students to careers and opportunities in construction. Our chapter's Block Kids competition has been held for over 20 years at the Kennedy Krieger School Fairmount Campus. The children at this school have a variety of neurological disorders ranging from autism to cerebral palsy. In addition to the block competition, students participate in a hands-on demonstration of various trades such as plumbing, electrical, masonry, drywall, painting, and hoisting.

Diamond

\$1,500

- Company logo on promotional materials given to students
- Company logo on tee shirts given to students

- Company logo on event signage

Silver

\$500

Company logo on tee shirts given to students

Bronze

\$200

Company logo on event signage

SPONSORSHIP LEVELS

WIC Week Bowling Tournament Sponsorship

The focus of Women in Construction (WIC) Week, March 1-7, 2015, is to highlight women as a visible component of the construction industry and to raise awareness of the opportunities available for women in the industry, as well as emphasize the growing role of women in the AEC industry.

It is also a time for local chapters of NAWIC to give back to the community. For the 3rd year, NAWIC Baltimore will partner with SMPS Maryland to host a charity bowling tournament. The charity that we have chosen to sponsor is Project JumpStart. JumpStart is a pre-apprenticeship program for Baltimore City residents. The residents take classes and receive training to get them into the building trades.

Diamond

\$1,000

IMPORTANT FACTS

- The National Association of Women in Construction (NAWIC) originally began as Women in Construction in Fort Worth, TX. It was founded in 1953 by 16 women.
- NAWIC has since grown and is now a diverse membership with more than 140 chapters throughout the United States.
- Professional opportunities within NAWIC include:
 - Industry speakers
 - Education of youth and support through scholarships
 - Connect with other industry women
 - Community outreach projects
 - Liaison with other industry and profession organizations
- Education is highly valued within NAWIC and opportunities to further educational advancement include:
 - Professional education programs
 - Leadership programs
 - Certified Construction Associate (CCA)
 - Construction Industry Technician (CIT)
 - Construction Document Specialist (CDS)
 - Construction Bookkeeping Technical (CBT)
- Baltimore Chapter 135 has been doing their annual Block Kids Competition at Kennedy Krieger for over 20 years.
- Joint professional and networking events are held annually with groups such as SMPS, AGC and ASPE.
- Through NAWIC Baltimore's membership in the Maryland Construction Network (MCN), all NAWIC Baltimore members may attend MCN events for the member rate.
- Chapter meetings are held monthly and incorporate either an educational presentation or networking event for members and guests.
